

Philip J. Fizur, PsyD

3 Cooper Plaza, Suite 502, Camden, NJ 08103 • fizur-philip@cooperhealth.edu • 856-342-2439

Experience

- Cooper University Health Care (July 01, 2019 - Present)
 - Lead Psychologist for Integrated Primary and Speciality Services
 - Management of 9 ambulatory health psychology clinics across the Cooper Health system and the Behavioral Medicine providers in each clinic.
 - Provide direct clinical care at the Urban Health Institute, an integrated primary care office for Camden, New Jersey's Medicaid beneficiaries.
 - Training and supervision duties for pre- and post-doctoral psychology training program, medical students, and internal medicine residents
 - Co-founder and ongoing member of the Compassion & Resiliency Experience (C.A.R.E.) Program (formerly the RRT), a platform created to address provider and staff distress during the Covid-19 pandemic and now dedicated to promoting wellness at Cooper.
 - Co-Director, Behavioral Medicine Fellowship

- Cooper Medical School of Rowan University (July 01, 2019 - Present)
 - Assistant Professor of Medicine
 - Biopsychosocial Medical Education Director
 - Courses managed and taught include Motivational Interviewing, Risk Assessment Across the Lifespan, Interdisciplinary Chronic Care Clerkship (ICCC), Integrated Behavioral Medicine Across Medical Disciplines

Education

- Cooper University Health Care, Camden, NJ (2017 – 2019)
 - Postdoctoral Fellowship in Behavioral Medicine Dual specialized in psycho-oncology and integrated primary care
 - Training experience including diagnostic evaluations, brief evidence based individual psychotherapy, pain management, neurocognitive assessments, and representing Behavioral Medicine at interdisciplinary care meetings.
 - Management and supervision of trainees through modalities including in vivo observation, weekly supervision, editing psychological reports, and supervision of

scholarly activity.

- Penn State Milton S. Hershey Medical Center, Hershey, PA (2015 – 2016)
 - APA-Accredited Doctoral Internship Program in Clinical Psychology
 - Adult Neuropsychology, supervised by Antolin Llorente, Ph.D., Elana Farace, Ph.D., and Paul J. Eslinger, Ph.D.
 - Psychiatric Consultation-Liaison, supervised by Mark Rapp, M.D.
 - Pre-Surgical Evaluation, supervised by Andrea Rigby, Psy.D.

- La Salle University, Philadelphia, PA (2010 – 2017)
 - APA-Accredited Doctoral Program in Clinical Psychology
 - Master of Arts in Clinical Psychology (2013)
 - Doctor of Psychology (2017)
 - Dissertation completed under the mentorship of Nataliya Zelikovsky, Ph.D: An Internet-Based Intervention to Improve Adherence and Psychosocial Outcomes in Cancer Patients

- Temple University, Philadelphia, PA (2004 – 2009)
 - Bachelor of Arts, Psychology
 - Senior Thesis – Parkinson’s Disease and Depression: A Review of the Literature and Arguments for an Integrated Psychotherapeutic Treatment Approach

Teaching

- M1 Courses – Motivational Interviewing, Risk Assessment Across the Lifespan
- M3 Courses – Transdisciplinary Medicine, Interdisciplinary Chronic Care Clerkship (ICCC)
- M4 Courses – Motivational Interviewing, Integrated Behavioral Medicine Across Medical Disciplines

Research

- Attitudes Toward the Use of AI Scribes in Mental Health Appointments in Primary Care. September 2025 - Present
 - PI for study meant to assess patient and providers' perceptions, adoption barriers, and general attitudes regarding AI scribes in psychotherapy
- Perspectives on Acceptance-Based Management of Adult Chronic Medical Conditions in Primary Care
 - Faculty Mentor, M4 Capstone for a study exploring approaches to treating adult chronic medical conditions (ACMD) that balances change and acceptance based approaches in the context of values-based action. The study further seek to understand primary care physician attitudes toward managing ACMC using a mixed change and acceptance-based approach and, related, the feasibility of a novel six-item Clinical Exercise in Acceptance and Change (CECA) in caring for patients with ACMC.
- Direct Observation of Internal Medicine Resident Communication Study. January 2025 - Present
 - This project evaluates a structured program of direct observation and feedback to improve communication skills among medical trainees during real clinical encounters.
 - I serve as a psychologist observer, rater, and educator, conducting structured observations of trainee-patient interactions, completing behavior-based assessment checklists, and facilitating reflective debrief sessions to support trainees' communication skill development.
- Associations Between Coping Style and Perception of Web-Based Delivered Physical Activity Messages Among Women in Midlife with Cardiovascular Health Risks. July 2022 – June 2024
 - Committee member for the dissertation of Kristen Pasko, MA.
- White Rural Men and Guns: Testing an Integrated Coping Model for Protective Gun Ownership with Stress Appraisal Theories. July 2021 – April 2023.
 - Committee member for the dissertation of Sara Beachy, PhD.
- Mindfulness and Technology Study Group, Cooper University Health Care, July 2021 to 2024
 - Co-investigator examining the relationship between problematic technology engagement and health related behaviors, and the possible use of mindfulness to address this
- Promoting the Use of Mindfulness-Based Skills as Part of Inpatient Postoperative Pain Management, Cooper University Health Care, January 2020 – January 2024.

- Primary investigator examining the potential impact of mindfulness-based interventions on subjective pain ratings and analgesia demand in post-operative patients
- Identifying preliminary quality indicators of a psychology consultation-liaison service at an academic health center, Cooper University Health Care, March 2019 to December 2021
 - Co-investigator of a study assessing the degree to which quality indicators are measured by patient survey data are impacted by interaction with Behavioral Medicine CL service while admitted.
- Assessing Health Consciousness in Adults living with Ostomies, Cooper University Health Care, October 2017 to October 2018
 - Co-investigator of a study to understand health consciousness, internalizing symptoms, and health-related quality of life in adults who undergo temporary or permanent ostomy surgeries within one year.
- An Internet-Based Intervention to Improve Adherence and Psychosocial Outcomes in Cancer Patients, La Salle University, August 2013 to May 2017
 - Primary investigator of a pilot study of a self-developed Internet-based intervention with the goals of assessing its usability and acceptability as well as effectiveness in addressing mood symptoms and adherence in cancer patients
- MAPSS: Music Aesthetic Preference Stability Study, Penn State Hershey Medical Center, July 2015 to September 2017
 - Research assistant to a study exploring correlates of neuroimaging studies with the stability of music aesthetic preference in patients with advancing dementia
- Personality Correlates of Altruistic Organ Donation, Penn State Hershey Medical Center, July 2015 to June 2016
 - Co-investigator assessing scale elevations on the MMPI-II-RF as predictors of altruistic organ donation
- The impact of a behavioral medicine intervention on the quality of life and functional outcome of trauma patients admitted to a surgical ICU, Cooper University Health Care, July 2014 to June 2015
 - Research assistant responsible for conducting assessment and intervention with patients admitted to the hospital following trauma as well as phone follow-up at three- and six-month intervals
- Evidence Supporting Social Communication Anxiety Treatment (S-CAT) for Selective Mutism: A Study with Replication, La Salle University, August 2013 to January 2014
 - Statistical consultant
- Society for Implementation Research Collaboration, University of Washington, July 2011 to July 2019

- Research Assistant and Junior Colleague for the NIH-funded multi-site project investigating issues related to implementation and dissemination of evidence-based practices across multiple studies and activities.
- Developing a skin toxicity-related quality of life scale for breast-radiotherapy, Cooper University Health Care, January 2011 to January 2012
 - Research assistant responsible for conducting assessment and intervention with patients admitted to the hospital following trauma as well as phone follow-up at three- and six-month intervals.
- Coping Cat Implementation Research, Temple University, January 2008 to May 2010
 - Research assistant responsible for post-hoc session rating of implementation fidelity, acting as session confederate, as well as technical duties as assigned.

Invited Lectures and Presentations

- Fizur, P. (January 2026) “Leveraging Technology in Family Medicine Clinical Care.” Residency Lecture, Family Medicine, Cooper Health, Camden, NJ.
- Fizur, P. (January 2026) “Motivational Interviewing in Primary Care.” Residency Lecture, Internal Medicine, Cooper Health, Camden, NJ.
- Bullock, A., Doremus, C., Fizur, P. (November 2025) “Supporting Clinicians with Complex & Disruptive Patients.” Physician Engagement Lecture Series, Cooper Health, Camden, NJ.
- Rostain, A., Fizur, P. (November 2025) “Being Well While Being a Physician.” Internal Medicine Intern Retreat, Jefferson Health, Philadelphia, PA.
- Malcore, S., Anastasiades, M., Goodie, J., Vogel, M., Segal, A., Fizur, P. (October 2025) “Guidelines for Services and Advanced Training Expectations in Clinical Health Psychology: Considered through the Renewal Petition for Clinical Health Psychology.” Michigan Psychological Association, Virtual.
- Fizur, P. (August 2025) “Holding Space and Building Skills: DBT and ACT Strategies for Supporting Those with Different Needs, Their Families, and Their Caregivers.” Professional Development Lecture, Bancroft, Mount Laurel, NJ.
- Bullock, A., Fizur, P. (June 2025) “Introduction to Careers in Health Psychology.” Guest Lecture, University of Maryland, Virtual.
- Fizur, P. (April 2025) “Assessment and Intervention of Autism Spectrum Disorder in Adult Primary Care.” Residency Lecture, Family Medicine, Cooper Health, Camden, NJ.
- Fizur, P. (May 2025) “Recent advances in implementing ACT in Primary Care.” Grand Rounds, Department of Psychiatry, Cooper Health Camden, NJ
- Fizur, P. (March 2025) “Leveraging Technology in Family Medicine Clinical Care.” Residency Lecture, Family Medicine, Cooper Health, Camden, NJ.

- Fizur, P., et al (October 2024) “Preventative Care: Mental Health.” Panel Discussion at Rowan’s Women’s Alliance Network: Empowering Health Panel, Camden, NJ
- Rostain, A., Fizur, P. (November 2025) “Being Well While Being a Physician.” Internal Medicine Intern Retreat, Jefferson Health, Philadelphia, PA.
- Fizur, P., et al (October 2024) “Working on Interprofessional Teams” Panel Discussion for the M1 Year, CMSRU, Camden, NJ
- Fizur, P., et al (September 2024) “Population Health Resiliency Workshop” Lecture provided to Population Health at Cooper Health, Camden, NJ
- Fizur, P. (September 2024) “The Primary Care Behavioral Health (PCBH) Model: Evolving Science in Practice.” Lecture Provided to Cooper Behavioral Medicine Training Program, Camden, NJ.
- Fizur, P. (August 2024) “Being Well While Working in Healthcare.” Lecture Delivered at Cooper Academy for Learning & Innovation, Camden, NJ.
- Fizur, P. (August 2024) “Anxiety Around Presenting as a Resident.” Lecture Delivered to Cooper OB/GYN Residency Program, Camden, NJ.
- Fizur, P. (May 2024) “Managing Conflict with Colleagues and Patients.” Lecture Delivered to Nursing Leadership Institute, Camden, NJ
- Fizur, P., Loyka, C. (April 2024) “Caring for Self While Caring for Others.” Lecture conducted at McGuire-Dix-Lakehurst Joint Military Base, Burlington County, NJ.
- Fizur, P., Joseph, E., Penza, E., Standen, E. (February 2024) “Weight Stigma in Healthcare Settings and What Healthcare Professionals and Researchers Can Do About It,” Presented in the Society of Behavioral Medicine Webinar Series, Virtual.
- Fizur, P. (2023, December). Primary Care Behavioral Health Intervention Model. *Psychiatry Grand Rounds*. Lecture conducted at Cooper University Hospital and Virtually, Camden, NJ.
- Fizur, Philip. (November 2023) “Modeling ACT-Based Approaches to Emotional Distress for Ourselves and Our Patients,” Presented to the Neurosurgery Residency Program at Cooper University Hospital, Camden, NJ
- Rostain, A., Fizur, P. (October 2023) “Autism Spectrum Disorder and Other Developmental Disorders: Assessment and Intervention.” Presented to Cooper University Health Care Family Medicine Residency Program, Camden, NJ
- Rostain, A., Fizur, P. (May 2023) “JUMP High Program: Introduction to Psychology” Lecture conducted for JUMP High Participants, Cooper Medical School of Rowan University, Camden, NJ.
- Coons, H., Fizur, P. (April 2023) “Salary and Contract Negotiations.” Webinar Moderators and Presenter, Society for Health Psychology
- Quimby, E., Bryers, M., Scattergood, E., Cristiano, A., Fizur, P. (Feb 2023) “When the Healthcare Worker Becomes the Patient.” Moderator of panel discussion conducted at Cooper University Healthcare.

- Fizur, P. (2023, January). “Emotion Regulation and Interpersonal Communication in Healthcare.” Lecture conducted for Department of Radiology, Cooper University Health Care, Camden, NJ.
- Fizur, P., Doremus, C. (November 2022) “Caring for Self While Caring for Others.” Lecture conducted at McGuire-Dix-Lakehurst Joint Military Base, Burlington County, NJ.
- Fizur, P. (2022, May). Proactive Wellness for Medical Students. Lecture conducted for M3 Class, Cooper Medical School of Rowan University, Camden, NJ.
- Gilrain, K., Fizur, P. (2022, May). Promoting Wellbeing in Teachers. Lecture conducted for the faculty of Haddonfield Middle School, Haddonfield, NJ.
- Clay, C., Fizur, P. (2022, May). Let’s Talk: Understanding and Accepting the Challenges of Living with Sickle Cell Disease. Lecture conducted for Sickle Cell Support Group, The MD Anderson Cancer Center at Cooper, Camden, NJ.
- Fizur, P., Skelton, W. (2022, April). Emotion Regulation and Interpersonal Communication with Difficult Patients. Lecture conducted for Hospital Medicine group, Cooper University Health Care, Camden, NJ.
- Fizur, P., Charles, D. (2022, April). The Role of Behavioral Medicine in an Academic Medical Center. *Psychosocial and Behavioral Factors in Health and Medicine for the Drexel University Post-Baccalaureate Pre-Medical Certificate*. Lecture conducted at Hahnemann Hospital, Philadelphia, PA.
- Fizur, P., Hayes, A., LaGrotte, C. (2022, April). Family Medicine Process Group Training. Training provided for the Family Medicine Residency Faculty, Cooper University, Camden, NJ.
- Fizur, P., Gilrain, K. (2022, March). Leadership Wellbeing. Lecture conducted for the Meeting of Nursing Leadership Excellence, Cooper University Hospital, Camden, NJ.
- Fizur, P. (2022, March). Effective Interpersonal Communication in Medicine. Lecture conducted for Hospital Medicine Grand Rounds, Cooper University Hospital, Camden, NJ.
- Fizur, P. (2022, March). Effective Interpersonal Communication in Medical Education. Lecture conducted for Endocrinology Faculty Meeting, Cooper University Hospital, Camden, NJ.
- Fizur, P. (2021, October). The Role of Behavioral Medicine in an Academic Medical Center. *Psychosocial and Behavioral Factors in Health and Medicine for the Drexel University Post-Baccalaureate Pre-Medical Certificate*. Lecture conducted at Hahnemann Hospital, Philadelphia, PA.
- Fizur, P., Fizur, H., Rowello, L. (2021, August). The Mental Health Experience of LGBTQA+ Children, Adolescents, and Young Adults. *Tapestry Conversation*. Virtual.
- Fizur, P., Lazos, K. (2021, August). Compliance or Commitment: Employee and Provider Rounding for Resilience and the Impact It Has on HCAHPS Performance and Quality of Care. *What’s Right in Health Care*. Denver, CO

- Fizur, P., Gilrain, K. (2021, July). Promoting Resiliency in Yourself and Your Team. *Radiology Department Meeting*. Lecture conducted at Cooper University Hospital, Camden, NJ.
- Fizur, P. (2021, February). Evidence-Based Psychotherapy for Advanced Cancer. *Psychiatry Grand Rounds*. Lecture conducted at Cooper University Hospital and Virtually, Camden, NJ.
- Fizur, P. (2020, October). The Role of Behavioral Medicine in an Academic Medical Center. *Psychosocial and Behavioral Factors in Health and Medicine for the Drexel University Post-Baccalaureate Pre-Medical Certificate*. Lecture conducted at Hahnemann Hospital, Philadelphia, PA.
- Fizur, P. (2020, August). Promoting Resiliency in Yourself and Your Team. *Hospital Medicine Site Director Meeting*. Lecture conducted at Cooper University Hospital, Camden, NJ.
- Fizur, P. (2019, October). The Role of Behavioral Medicine in an Academic Medical Center. *Psychosocial and Behavioral Factors in Health and Medicine for the Drexel University Post-Baccalaureate Pre-Medical Certificate*. Lecture conducted at Hahnemann Hospital, Philadelphia, PA.
- Fizur, P. (2019, July). Helping the Challenged & Challenging Learners: Promoting Engagement and Managing Divergent Learning Styles. *Faculty Development Seminar Third Year Practicum Seminar*. Lecture conducted at Cooper Medical School of Rowan University, Camden, NJ.
- Fizur, P. (2019, October). Helping the Challenged & Challenging Learners: Promoting Engagement and Managing Divergent Learning Styles. *Hospital Medicine Faculty Development Seminar*. Lecture conducted at Cooper University Hospital, Camden, NJ.
- Fizur, P. (2019, October). Helping the Challenged & Challenging Learners: Promoting Engagement and Managing Divergent Learning Styles. *Faculty Development CME Event*. Lecture conducted at Cooper University Hospital, Camden, NJ.
- Gilrain, K., Bullock, A, Fizur, P; McGroarty, S., Alioto, A; McMahan, C., *Development and Expansion of Behavioral Medicine Programs in Medical Settings. Panel Discussion at Annual Conference of Society of Behavioral Medicine, 40th Meeting, Washington DC, March 2019*)
- Fizur, P. (2019, February). Case Conceptualization in Brief Treatment Settings. *Third Year Practicum Seminar for Rowan University PhD Program in Clinical Psychology*. Lecture conducted at Rowan University, Glassboro, NJ.
- Fizur, P. (2018, October). The Role of Behavioral Medicine in an Academic Medical Center. *Psychosocial and Behavioral Factors in Health and Medicine for the Drexel University Post-Baccalaureate Pre-Medical Certificate*. Lecture conducted at Hahnemann Hospital, Philadelphia, PA.

- Fizur, P. (2018, March). The Role of Behavioral Medicine in Inpatient Obstetrical and Gynecological Settings. *Cooper University Hospital*. Lecture conducted at Cooper University Hospital, Camden, NJ.
- Fizur, P. (2017, October). The Role of Behavioral Medicine in an Academic Medical Center. *Psychosocial and Behavioral Factors in Health and Medicine for the Drexel University Post-Baccalaureate Pre-Medical Certificate*. Lecture conducted at Hahnemann Hospital, Philadelphia, PA.
- Fizur, P. (2017, October). Introduction to Psycho-oncology. *Guest Lecture in Health Psychology I for Doctoral Students*. Lecture conducted at La Salle University, Philadelphia, PA.
- Gilrain, K., Fizur, P., Skelton, W., Osbourne, K., Gerofsky, R., Sisanze, C., Muratore, A. (2017, October). Mindfulness for Trauma Surgeons and Nurses. *Cooper University Hospital Trauma Surgery*. Lecture conducted at Cooper University Hospital, Camden, NJ.
- Fizur, P. (2017, September). Person-Centered Care for Dementia. *Care Training for Stephen Ministries*. Lecture conducted at Haddonfield United Methodist Church, Haddonfield, NJ.
- Fizur, P. (2017, August). Mindfulness and Defining the New Normal in Cancer. *Psycho-oncology for People with Cancer*. Lecture conducted at Gilda's Club of South Jersey, Linwood, NJ.
- Gilrain, K., Fizur, P. (2017, June). The Role of Behavioral Medicine in Emergency Medicine. *Cooper University Hospital Emergency Medicine Residency Training*. Lecture conducted at Cooper University Hospital, Camden, NJ.
- Fizur, P. (2017, June). Defining the New Normal in Cancer. *Signature Classes Series*. Lecture conducted at Cooper University Hospital, Camden, NJ.
- Fizur, P. (2017, May). Combating Fear of Recurrence. *Signature Classes Series*. Lecture conducted at Cooper University Hospital, Camden, NJ.
- Fizur, P. (2016, April). The MAPPS Study: Examining Neuropsychological Correlates of Musical Aesthetics Preference Stability in Dementia. *Penn State Hershey Center for Applied Research*. Lecture conducted at Penn State, Harrisburg, PA.
- Fizur, P. (2015, May). Understanding Statistics in Oncology Research. *Signature Classes Series*. Lecture conducted at Cooper University Hospital, Camden, NJ.
- Fizur, P. (2014, October). Understanding Statistics in Oncology Research. *Signature Classes Series*. Lecture conducted at Cooper University Hospital, Camden, NJ.
- Fizur, P. (2014, April). Positive Parenting Strategies. *Lecture and Latte Series*. Lecture conducted at Cooper University Hospital, Camden, NJ.
- Fizur, P. (2014, April). Coping With What Life Throws Your Way: Distress Tolerance for Individuals with Cancer. *Signature Classes Series*. Lecture conducted at Cooper University Hospital, Camden, NJ.

Peer Reviewed Professional Conference Presentations

Professional Affiliations, Committees, and Service

- Professional Affiliations
 - Association of Psychologists in Academic Health Centers (2018 – Present)
 - Co-chair, Early Career Psychologist Committee, 2021 to Present
 - Co-chair, Conference Planning Committee, 2021 to 2023
 - Website Content Manager and Technical Liaison, 2019 to Present
 - Member, 2018 to Present
 - Society Of Behavioral Medicine (2013 – Present)
 - Membership Council, 2025-Present
 - Integrated Primary Care SIG Co-chair, 2022 to 2025
 - Behavioral Information and Technology SIG, Social Media Committee, 2019 to 2024
 - Member, 2013 to Present
 - Society for Implementation Research Collaboration (2011 – 2025)
 - Technology Chair, 2012 to 2019
 - Member, 2011 to 2025
 - American Psychological Association (2011 – Present)
 - Member of Divisions 12, 38
 - Early Career Psychologist Representative, Clinical Health Psychology Specialty Council (CHPSC)
 - SfHP Early Career Professionals Council Member
- Committees
 - Cooper University Health Care Psychology
 - Internship Faculty Member, July 2019 – Present
 - Psychology DEIB Committee, July 2021 – Present
 - Schwartz Center Rounds Steering Committee, July 2019 – Present

- Emotional Wellbeing Subcommittee of the Cooper Wellness Committee, July 2022 – Present
 - ED Care Plan Committee, July 2020 – 2024
 - Suicide Prevention Committee, July 2017- 2024
 - Cooper Medical School of Rowan University
 - Admissions Committee, August 2025 - Present
 - Rules of Procedure Committee, July 2020 – Present
- Service
 - Neurodiversity Community Conference
 - Chair, 2024 - Present
 - Community-based conference bringing together neurodiverse individuals, their loved ones, and professionals in the neurodiverse service community for lectures, conversations, and sharing of resources.
 - Autism Fathers' Conference
 - Group Facilitator, 2024 - Present
 - Annual conference for fathers in the Philadelphia region with children diagnosed with Autism and related conditions providing lectures, support groups, and related resources.
 - The Pennsylvania and Delaware Directors of Training Consortium (PENDELDOT)
 - Site Representative (2018 to 2020)
 - Chair Elect (2020 to 2021)
 - Chair (2021 to 2022)
 - Past Chair (2022 to 2023)
 - The Emotional PPE Project
 - Clinician, April 2020 - July 2025. Created in response to the COVID-19 pandemic, The Emotional PPE Project connects healthcare workers in need with licensed mental health professionals who can help at no cost. Positions held include volunteer clinician and media representative.

Prior Work Experience

Temple University

- Assistant Director of Information Technology, March 2004 – August 2010
 - Plan and implement technology infrastructure for the College of Liberal Arts, including HIPAA compliant data servers and applications.
 - Build and maintain databases as well as applications and websites for data access.
 - Maintenance and development of systems, including the Temple University Neurocognition Laboratory server.
